**Amendment**  
**July 12, 2004**

Honorable Commissioner for Patents:

In response to the April 22, 2004 communication concerning the above identified patent application, please amend the application as follows.

**In the CONTENTS section of the Application**

Information is added to meet submittal requirements and the application pages are organized and numbered. All new sheets are attached to this amendment and dated July 12, 2004. These sheets will replace all previous sheets and documentation provided in the Original Application dated June 14, 2002 and the Continuation of Applications dated January 27, 2003 and February 24, 2004.

**In the ABSTRACT section of the application**

First sentence in paragraph three (3) was changed:

**From:**

The Adaptor is designed to be unattached from the bar clamp assembly that provides the clamping function.

**To**

The Adaptor's unique design allows it to be unattached from the bar clamp assembly that provides the clamping function
